File No. 41-18

FILE HEADING.

Mineral licenses & leases applied for & held by the city Brick & Tile Works, Bangalore city.

From

The Offg Director, Dept of Geology

No. 845 Dated 23-9-18 Received 24-9-18

Diary No. 5744	Enclos. 4	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

States that the manager of the city Brick & Tile Works has applied for a mining lease for Kaolin over 360 acres of land selected out of the area comprised in P.L. No 460 & also for a fresh prospecting license over the original block of 2 sq miles less the area in respect of which the mining lease has been applied for & recommends that the lease applied for may be granted & that a fresh P.L. applied for may also be granted on condition that the applicants will not be entitled to any further mining lease hereafter & that they give Govt the first refusal of all the material obtained under the

NOTES AND ORDERS.

In case the mining lease applied for by the firm is granted, it is a matter for orders whether the following conditions which were imposed in the case of the lease granted to Mr. V. Manickavelu Mudaliar near Golhalli

block may not be imposed in the present case as very...

(1) The applicants should give Govt the first refusal of the material

(2) The material should not be exported crude outside the State but used for manufacturing products in the State.

As regards the application for a fresh licence over the remaining area of the original block it seems that the application practically amounts to the renewal of the original licence except for the payment of the sum of Rs 20/- as fees. The question of granting such requests is discussed in paragraphs 2-9 of the letter in Geol file no 17-17 (25+28) ---- Submitted for orders.

AHS 1-10-18. 3 Please put up the file on Mr Venkatadasiah's appln for a mining lease in which it was stated Mr Bullappa's appln for the blocks will be considered first

4 Submitted with the file referred to.

AHS 8-10-18. 5 Orders on paragraph 4 of the Director's letter under disposal are solicited.

9.10.18.

6 The Mining lease applied for may be granted subject to the conditions specified in para 1 Supra

7 It is doubtful if a fresh prospecting license should be granted under the rules framed under section 9, Geo. Act 17 of 1917.

Other Members 21/15/10/18

8. The mining lease asked for may be granted, subject to the stipulations indicated. As regards prospecting license, is not kaolin a mineral for connection with which no licences are freely given now? I should like this point cleared up.

Serial No.

Submitted — In disposing of applications for prospecting licenses for Kaolin the following conditions are generally imposed viz —

that the material should not be exported in the raw state to places outside the State but it should be used locally for industrial purposes;

that Govt should have the first refusal of it.

As Some Kaolin deposits in the Bangalore, Hosakote and Anekal Taluks are reserved for the purpose of investigation in the I & C department.

1118 8-11-18. I submit with reference to paragraph 8.

Extra Member) 23/11

18.37-188 28-11-18

I presume that the area now applied for is not one of those reserved for the I & C dept. If so, the prospecting licence may be issued under the usual conditions above indicated. It will be useful only to renew the licence however; it ought I think to be treated as a fresh licence & dealt with accordingly.

From

B. Jayaram, Esquire, F.G.S.,
Offg. Director,
Department of Geology.

To

C. S. Balasundaram Iyer, Esquire, B.A.,
Chief Secretary to the Government of His
Highness the Maharaja of Mysore.

Sir,

I have the honour to invite your kind attention to your office letter No.G.14282/Geol.137-16-3, dated 24th April 1917, conveying the sanction of Government to the grant of a prospecting license for kaolin to the City Brick and Tile Works, Bangalore City, over a block of two square miles of land in the Nelamangala Taluk, and to state that in pursuance of that letter a prospecting license No.460 was issued to the Manager, City Brick and Tile Works on the 2nd of June 1917.

2. The period of one year for which the license was granted expired on the 2nd of June 1918, but within that period an application, dated 10th May 1918 was received in this office from the Manager of the City Brick and Tile Works for a mining lease over a block of 360 acres of land comprised within the area of the prospecting license. The application was not accompanied by the prescribed sketch of the mining block selected by the licensees, but it was received only lately on the 29th August 1918 with a letter of the same date from the Manager of the City Brick and Tile Works. Copies of the application and the sketch and letter since received are submitted herewith for the information and orders of Government.

3. The licensees have further submitted an application, dated 29th August 1918 for a fresh prospecting license over the original block of two square miles, less the area in respect of which the mining lease has been applied for. A copy of this application is also submitted herewith for the information and orders of Government.

4. The licensees are, under Clause 15 of the prospecting license No.460, entitled to the mining lease applied for. They have done good work during the past year. 596 tons of crude kaolin are reported to have been removed from the block on which a royalty of Rs.149/- has been paid to Government. Under these circumstances, I beg to recommend the grant of the mining lease applied for by them.

5. The fresh prospecting license applied for over the original block, less the area selected for the mining lease, may also be granted to them on condition that the applicants will not be entitled to any further mining lease thereunder and that they bind themselves to give the Government the first refusal of all the kaolin that may be obtained from the area comprised in the license.

I have the honour to be,

Sir,

Your most obedient servant,

B. Jaya Ram.

Offg. Director,

Department of Geology.

C.N.

Letter, dated 10th May 1918, from the Manager, City Brick & Tile Works, Bangalore, to the Offg. Director, Department of Geology.

In accordance with Clause 15 of our prospecting license Registered No.460, granted to us on the 2nd June 1917, for kaolin over a block of one square mile of land in Balgere and six other villages in the Nelamangala and Dodballapur Taluks, we have the honour to apply for a mining lease over the said ~~area~~ block for a term of thirty years. An application in the prescribed form is submitted herewith together with the Treasury receipts for Rs.100/- being the fee for the application.

We shall highly appreciate the kindness of your goodself and His Highness' Government for the grant of the mining lease to us at an early date.

Copy.

B. Jaya Rama.

Offg. Director,

Department of Geology.

Letter, dated 29th August 1918, from the Manager, City Brick & Tile Works, Bangalore, to the Offg. Director, Department of Geology.

In continuation of our letter No.G.33/123, dated the 5th July 1918, we beg to submit herewith a sketch indicating the outlines of a block of 9/16 square mile or ~~380~~ 360 acres selected for mining for kaolin out of the area held by us under prospecting license No.460, and shall feel highly obliged and thankful if your goodself will cause the same to be appended to the application submitted with our letter, dated the 10th May 1918. The figure "640" in the application may kindly be altered to "360".

We also beg to submit for kind sanction an application for a Prospecting License, which we wish to continue to have over the remaining portion of the prospecting block shown in the second sketch.

A sum of Rs.20/- on account of the fee and another of Rs.57-8-0 on account of the rent for the new prospecting license have been paid into the State Huzur Treasury and the Treasury receipts obtained are enclosed herein.

We shall feel highly thankful to your goodself and His Highness' Government for the grant of the mining lease and the prospecting license at an early date.

To

The Director, Dept of Mines & Geology.

Signed by for Secy to Govt

Sir,

With reference to your office letter no 845 & 23-9-18, I am directed to convey the approval of Govt to the grant of a mining lease for Kaolin to the City Brick and Tile Works, Bangalore city, over a block of 360 acres of land comprised within the ~~area~~ prospecting block no 460 subject to the conditions

(1) that the material should not be exported in the raw state to places outside the State but should be used locally for industrial purposes;

(2) that Govt should have the first refusal

P.T. over.

of it.

2. As regards the question of granting a fresh prospecting licence over the original block less the area selected for the mining lease or the conditions mentioned ~~mentioned by you referred~~ to in the letter under reference, I am to observe that the object of the grant of a prospecting licence is to enable the licensee to prospect and select within one year generally a block of land for mining purposes and when the object has been accomplished, the necessity or the expediency of allowing him to continue to exercise the prospecting rights over the remainder of the prospecting block is not understood. I am therefore to state that the question of granting a fresh licence over the area may be separately resubmitted for orders if there are no other applicants for it. ~~is nobody else willing to take it up or if~~ there are sufficient reasons for special treatment.

Subject to a separate Kind attention : invite to paragraph 5 of the notes in Govt file no 17-17(25428) Forest.
